

INVITATION

The next panel discussion of the 2023 “**Perceptions and Reality**” event series of the **Friedrich Ebert Stiftung Budapest** and **Új Egyenlőség** magazine will be held on

November 21, 2023 at 6:00 p.m. Hotel Benczúr (VI.Benczúr u.35.), the topic of which is

“The myth of the great leader”

The purpose of the conversation is to refute the idea that successful societies need great leaders, a father figure. Governance based on the personality of a single leader does not work and will collapse at the latest when the leader leaves the scene. Successful countries are based on the continuous harmonization of interests of different entities and actors in society and an “enabling state” that empowers these territorial, functional, professional and civil entities.
