

## The future of V4 and the foreign policy margin of the Orbán regime

*Online event organized by the Friedrich-Ebert-Stiftung and Political Capital*

**Date:** 29 November 2023. 10:00-11:00

**Venue:** online (Zoom)

**Language:** Hungarian (with English simultaneous interpretation)

Slovakia and Poland chose. Both countries are important for Hungary and the Orbán regime. How is the cooperation with the new governments at the bilateral level and the V4 and at the EU level? Which countries can strengthen cooperation and on which topics? Who can receive the frozen EU funds first, Poland or Hungary? What can a new Fico government mean for Hungarians in Slovakia?

We will attempt to answer all these questions with the help of our expert guests.
